PROFESSIONAL SUMMARY

Detail-oriented Master of Computer Applications (MCA) graduate skilled in Python development, SQL database management, and Full-Stack web fundamentals. Practical experience developing machine learning models, implementing text processing pipelines, and building web applications. Seeking an entry-level Python Developer / Full-Stack Developer role to apply software engineering practices and contribute to scalable applications

TECHNICAL SKILLS

Core & Languages: Python, JavaScript, SQL, Data Structures & Algorithms

Libraries & Frameworks: React.js, Pandas, NumPy, Scikit-Learn, NLTK

Web & Database: HTML5, CSS3, React.js, MySQL

Developer Tools: Git, GitHub, VS Code, MS Excel, MS Word

PROJECTS

1. Water Quality Prediction Model | Python, Scikit-Learn, MySQL

- Developed a predictive model using environmental and chemical parameters.
- Applied machine learning techniques to predict water quality.

2. Python Inventory Management System | Python, OOP

- Developed a Python app to track real-time stock levels and categories.
- Applied OOP principles to build backend logic and low-stock alerts.

3. SMS Spam Detection System | Python, NLTK, Scikit-Learn

- Developed a machine learning model for SMS classification.
- Performed text preprocessing, feature extraction and model training using Python**.**

4. Max Tech E-Commerce Web Application | HTML5, CSS3, JavaScript

- Built a responsive website featuring tech products using Flexbox and Grid.
- Implemented interactive product catalog filtering using JavaScript.

EDUCATION

Master of Computer Applications (MCA) | Krishnasamy College of Engineering | Aggregate: 87%

B.Sc. Computer Science | Annamalai University | Aggregate: 81%

Higher Secondary (HSC) | State Board | Aggregate: 80.6%

SSLC | State Board | Aggregate: 76%

CERTIFICATIONS & TRAINING

Python Full Stack with AI Tools – Accord Info Matrix

Software Engineer Certification – HackerRank

CSS Basic Certification – HackerRank

Data Analytics and Visualization Workshop

Flutter Development Workshop

LANGUAGES

Tamil: Native

English: Professional working proficiency
